

NAWIC Membership Benefits

National Association of Women in Construction

Joining NAWIC opens doors to a powerful network of support, education, and professional growth. Whether you're a tradeswoman, project manager, business owner, or student—there's a place for you in NAWIC.

Professional Development

Access webinars, workshops, leadership training, and a national conference designed to strengthen your skills and career path.

Networking & Mentorship

Connect with peers, mentors, and industry leaders through local chapters, regional forums, and national events.

Leadership Opportunities

Serve in local, regional, or national roles that build confidence, leadership experience, and visibility.

Recognition & Awards

Be celebrated through local and national award programs that showcase excellence in construction and leadership.

Industry Resources

Stay informed with newsletters, advocacy updates, and member-only tools that help you navigate your career.

Community & Belonging

Join a supportive, like-minded community that celebrates women in every corner of the construction industry.
